## Mirror With Two Drawers

*Sapele, Avodire and Mirror 72"H x 15"W x 15"D*

The drawers of this contemporary mirror shift as they as they mate into the structure of the Sapele frame that holds the mirror. The drawer boxes which are wrapped in Avodire veneer serve as containers for anything that may be helpful to have in an entrance way- items such as keys, outgoing mail or an ipod. Put something fun in the drawers since they are a pleasure to open and close. The mirror is very useful since it frames the torso and head of the viewer as the prepare to go out of the house. The movement and the bold combination of materials serve to welcome people in to your home and introduce them to a glimpse of your style.
